Prices include express or freight. Goods delivered to customer at these prices.

GUARANTEE: All plants are guaranteed against loss for two years, and will be replaced at only 30% of cost—this to cover costs of digging, packing and shipping.

OUR PRICES are based on only the best grades. We sell only the landscape grades, and while mail order houses may list some varieties cheaper, remember they are selling a light, easy-to-maintain grade. Dollar for dollar, our strong, sturdy plants are the best on the market.
